

Dear Student,

This year, as part of our comprehensive alcohol prevention program, Union is asking each member of the first-year class to complete AlcoholEdu for College – an online, non-opinionated alcohol prevention program. Used on over 500 campuses nationwide, the course uses science-based research to educate students about alcohol and its effects. Whether you drink or not, AlcoholEdu for College will empower you to make well-informed decisions about alcohol and help you better cope with the drinking behavior of your peers.

The course has two sections, **both** of which must be **completed to fulfill this requirement**:

- Part 1 of the course takes approximately 2 hours to complete, and we recommend that you take it in multiple sittings. This part ends after Survey 2 and the Exam. You must earn a grade of 75 or higher to pass and receive credit for the course. **The deadline for finishing Part 1 is Monday, August 31, 2009.**
- About **45 Days** after you complete Part 1, you will receive an email asking you to complete Part 2. **The deadline to complete Part 2 is Friday, October 30, 2009.**

If you do not successfully complete Part 1 by the deadline, you will be assigned two points on our ten point disciplinary scale.

Please note that the course includes three surveys that measure students' alcohol-related attitudes and behaviors. All survey responses are strictly confidential; the school will only receive information about the student body as whole and will never see individual students' answers
