National Health Systems Term Abroad  
Service Learning Placement Questions

Please answer the following questions related to your service learning placement. The more information, the better!

1. Are there particular populations you would like to serve? (i.e. poor, disabled, mentally ill, terminally ill, elderly, children etc...).
2. Will you have a car during the spring term (note: some placements require a car)?
3. List any talents, special skills, or specialized training that you might offer a local health care organization (i.e. Hospice, EMT, language/translation, computer skills etc..).
4. Have you previously volunteered in the community and if so, would you be interested in continuing your service if the work has implications for healthcare?
5. What are your interests within healthcare?
