Attachments: LCOSA proposed revisions 4-09.doc; proposed revision of appeals language 4-21-09.doc; Proposed revision of PP language.doc

Dear Colleagues,

On Tuesday, April 28, at 12:50 in the Olin Auditorium, we will hold a general faculty meeting at which time we will discuss some proposals for revising the language in the Faculty Constitution. The FEC is bringing the following proposals to the faculty (see attachments):

1. A revision of the description of membership in the Liaison Committee for Study Abroad (LCOSA)
2. A revision of the description of the membership of the Planning and Priorities Group, plus the addition of a Benefits Subcommittee
3. A revision of the language in the Faculty Constitution regarding the appeals process, intended to bring the language in line with policy that was adopted by the faculty during the 1999-2000 academic year.

In addition, we propose to update the title of the Vice President for Admissions and Financial Aid to the current title of Vice President for Admissions, Financial Aid and Enrollment, each time it appears in the Faculty Constitution. (There is no attachment for this proposal.)

Following the guidelines set forth in the Faculty Constitution, we plan to conduct a vote on these proposals after the required 30-day waiting period has elapsed.

Best regards,

Linda Stanhope, Chair of the Faculty Executive Committee
