Subject: nominations have closed

Dear Colleagues,

Nominations for the at-large committee positions closed at noon today. The final slate of candidates appears below. There has been a change since my last email: Lorraine Marsalis Cox is now running for Div. I FAC rep, instead of alternate at-large rep to the FAC.

The FEC will be sending out a ballot that includes these candidates as well as several proposed amendments to the Faculty Constitution (previously sent to the faculty) during 10th week.

Thank you,
Linda

The following colleagues have been nominated for various at-large committee positions.
Faculty Executive Committee: Chair – Mark Walker
Faculty Executive Committee: Secretary – Andy Foroughi
Academic Affairs Council: At-large representative – Cheikh Ndiaye
Faculty Review Board: Jr. at-large representative – Samuel Amanuel
Student Affairs Council: Faculty representative – Robert Hislope
Faculty Appeals Committee: At-large representative and chair – Susan Niefeld
Faculty Appeals Committee: Alternate at-large representative and chair – Michele Angrist
