Section II – III (Appointments of Tenure-Track Faculty Members) – B. (Shared Tenure-Track Positions)

The explanation at the end of second bullet point under sabbaticals, “‘Full pay’ means the salary associated with the half time position and ‘half pay’ means half of that amount” applies to this bullet point as well as the bullet point immediately above, so it will be moved to the separate paragraph below the two bullet points. This move will clarify that the explanation of full pay and half pay apply to both types of sabbaticals.

Current Language:

Sabbatical leaves:

- A tenured faculty member on a half-time appointment will be eligible for a mini-sabbatical (2 courses off at full pay) after teaching 18 courses as part of his or her regular appointment (overloads do not contribute to sabbatical eligibility) and will be eligible for a full sabbatical (3 courses off at full pay) after teaching 36 courses as part of his or her regular appointment.
- A tenure-track junior faculty member in a shared position can apply for a half-year sabbatical with full pay or a full-year sabbatical at half pay. This sabbatical does not affect the first sabbatical as a tenured faculty member, which occurs on the schedule described above. “Half-year sabbatical” means a release from half of the teaching duties associated with a half-time position, and “full-year sabbatical” means a release from all of the teaching duties associated with a half-time position. “Full pay” means the salary associated with a half-time position, and “half pay” means half of that amount.
