Committee on Teaching

The Numbers Game:
(De)Constructing Course Evaluations

John Cramsie
Associate Professor
History
Union College

Pamela Théroux
Assistant Professor
Educational Administration & Policy Studies
University at Albany

David Cotter
Associate Professor
Sociology
Union College

Please join us for a presentation of the history of how course evaluations have been used at Union in the evaluation of faculty teaching performance, including current expectations, and for a discussion on how the current course evaluations format can be improved.

Tuesday 27 February 2007

12:50 - 1:50 pm
(after Soup Club)

Old Chapel
