ELECTRICAL, COMPUTER, & BIOMEDICAL ENGINEERING SEMINAR

Networking Lunch: Naval Nuclear Labs (NNL) – Knolls Atomic Power Laboratory (KAPL)

Representatives from KAPL, including Demarcus Hamm, ’10, will provide an overview of how electrical and computer engineers support the Navy at NNL.

Their presentation will be followed by a networking session, during which you can learn about job opportunities at KAPL, and at NNL in general.

KAPL is located in Niskayuna, and NNL has locations around the country.

Thursday, April 18, 12:55 p.m.  
N102  
Lunch will be served at 12:30 p.m.
