Retention of College Financial Records

Financial records and Human Resources (non-academic), grants, facilities, and risk management related records.

1. At the end of every fiscal year, separate records that are no longer active (active period ends on the last day of the fiscal year following the fiscal year in which the record was created).

2. Consult record retention schedules to determine which inactive records must be retained.

3. Contact the Record Retention Committee if assistance is needed to arrange for storage.

4. Dispose of routine records that do not require retention.

5. If access to stored records is required, contact the Record Retention Committee if assistance is needed to retrieve.

6. At the end of a required retention period, contact the Record Retention Committee if assistance is needed with disposal arrangements.
