

DEPARTMENTAL HONORS – Union College

Format Specifications for Electronic Copies

A copy of each honors thesis must be submitted to the library in electronic form (exceptions to this policy are noted in the box below).

***** Any file over 5MB should be submitted on a CD instead of over email. *****

Submit 1 PDF file that includes a Title Page, Table of Contents (if available), Abstract (if available), and the thesis content. This file should be printable and **have no restrictions or security implemented.**

* Please see the Schaffer Library webpage for instructions on how to create a PDF file and configure page numbers. https://www.union.edu/library/_pdfs/honors-theses/multiple-numbering.pdf

Images: All images within these documents should not require outside applications (such as QuickTime) to display properly. Open your thesis file(s) on another, non-Mac computer to check this.

Audio and Video Formats: Submit audio or video files on a CD or DVD disc, checking to be sure that it can be played successfully on either a Macintosh or IBM-compatible computer.

File Names: Please name your file(s) in the following fashion: 2017, underscore, your last name, your first initial. Example: **2017_SmithJ.**

- If you have more than one file, place numbers at the end.
Example: **2017_SmithJ1, 2017_SmithJ2, 2017_SmithJ3.**
- If you are submitting more than one thesis, continue the numbers throughout.
Example: **Thesis 1: 2017_SmithJ1 Thesis 2: 2017_SmithJ2, 2017_SmithJ3**

EXCEPTION TO THE ELECTRONIC SUBMISSION REQUIREMENT

The library copy of any thesis or project work which **cannot be submitted in print** form (such as original works of art) should be discussed by the student with library staff at the time the work is submitted for final approval. (See contact information below.) The library staff will discuss options and, when possible, assist in making arrangements for representing this material in the College archive and on its restricted-access website for theses.
