

## Student Job Description

Department: Theatre Department

Location: Yulman Theatre

Supervisor's Name: Robert Bovard

Please indicate hours/shifts available: Afternoon, Nights and Weekends

Rate of Pay: minimum wage

Purpose/Role of the Position(s) within the Department: Technical Production and Scene Shop

The individual in this position will be working in the Theatre scene shop and performance spaces to support the production activities for the theatre and dance department shows, as well as facilitate the general day-to-day workings of the scene shop. Hours are in the afternoon with some evening and weekend time depending on the needs of the shows. The position will entail construction and installation of scenery, lighting, audio, properties, and masking for each show, as well as maintenance and department production support.

Responsibilities and Qualifications:

There is no expectation for prior construction or theatrical production experience, however the student needs to be willing to learn quickly and pay attention to details. A willingness to ask questions and the ability to focus on the assigned tasks and get along well with fellow students is a must. Students must be able to show up on time and understand that the type of work being done in the shop is highly variable depending on the needs of the current production.
