BUILD INTELLECTUAL FOUNDATIONS

FYP/FYP-H		First-Year Preceptorial or Honors First-Year Preceptorial engages you in the exploration of ideas and diverse perspectives through critical reading, thinking, and writing.
SRS/SCH		Sophomore Research Seminar or Scholars Research Seminar ensures you have an early hands-on experience thinking and working as an academic researcher.
		Literature (HUL) expands the moral imagination needed to understand yourself and your fellow human beings through literary analysis, interpretation, and reflection. Complete any one course designated as HUL from English (EGL) Modern Languages in Translation (MLT), or another department.
		Natural Sciences with Lab (SCLB) changes the way you think about the natural world when you understand the scientific method and put it to work. Any Lab course in AST, BCH, BIO, CHM, GEO, PHY, PSY-310 or PSY-313, or any courses listed in the course schedule as SCLB.
		Quantitative and Mathematical Reasoning (QMR) equips you with unique insights and skills necessary to solve complex problems. Any course from MTH (except MTH 100) or any courses listed in the course schedule as QMR.

EXPLORE THE LIBERAL ARTS

		Arts and Humanities (HUM) enable you to find yourself and your voice in creative expression and the exploration of works of the imagination. Any course from AAH, ADA, AMU, ATH, AVA, CLS, EGL, FLM, PHL, REL, or courses offered by the Department of Modern Languages and Literatures.
		Social Sciences (SOCS) confront you with the complexity and challenges of our world by analyzing the societies we create. Any course from ANT, ECO, HST, PSC, SOC, or PSY-100.
		Science, Engineering and Technology (SET) introduces you to Union's unique commitment to teaching Science and Engineering as Liberal Arts and examining their impact on our humanity. Any science (lab or no), Engineering, CSC, or any courses listed in the course schedule as SET.

CREATE CONNECTIONS ACROSS BOUNDARIES

LANGUAGES AND CULTURES (LCC) empower you as a citizen of a global community to contribute across cultural boundaries and shape our shared future.

COMMON CURRICULUM

Advising Guide and FAQs 7.0 (September 2015)

General Questions

How do I contact the Director of General Education about the Common Curriculum?

As a first step, please email questions and comments to education@union.edu

What courses from a student's major and minor count towards completion of the Common Curriculum and vice versa?

FYP and SRS may not be used toward completion of a major or minor. Other courses taken in the Common Curriculum may be used to meet the requirements of a major or minor unless specifically prohibited by a particular program or department.

How does double counting work with the Common Curriculum?

Students are required to complete ten (10) courses to complete the Common Curriculum. Courses may fulfill both a Common Curriculum requirement (such as SOCS) and the WAC requirement. No other double counting is allowed.

Can a non-transfer student use AP, IB, or transfer credits to complete requirements in the Common Curriculum?

Yes, ONE course may be used. The ONE course may be counted in only ONE of the following categories ***with the approval of the appropriate department and the Director of General Education***: HUM, SOCS, QMR, SCLB, and SET. Once you verify or obtain approval, you must inform your adviser and the Registrar of your choice.

Can a non-transfer student use AP English to complete the Literature requirement (HUL) in the Common Curriculum?

No, the English department does not accept AP English for HUL credit. Students who receive a 5 on either AP English exam may waive the prerequisite of an EGL 100-level course and may complete a 200-level English HUL course or another HUL course.

Can courses taken on a term abroad be used to complete requirements in the Common Curriculum?

Yes, courses may count toward the following categories ***with the approval of the appropriate department and the Director of General Education***: HUL, HUM, SOCS, QMR, SCLB, and SET. Term abroad courses must meet the standards, content requirements, and learning outcomes for the relevant department and the Common Curriculum. You will be expected to submit a complete syllabus and supporting materials such as assignments for consideration. No reviews or approvals will be made without such materials.

Can a practicum be used to complete Common Curriculum requirements?

NO, a practicum does not receive a letter grade. Therefore, it cannot be used to complete CC requirements.

Can an Independent Study be used to complete Common Curriculum requirements?

NO, an Independent Study cannot be used to complete a CC requirement.

Specific Requirements

May students drop an SRS?

Students may withdraw from an SRS according to the policies for withdrawals in the current Academic Register.

May students change their SRS section/placement?

Students **may not** change SRS sections. Students may only request a change due to an irreconcilable scheduling conflict with a **required course in a declared major**. The course in conflict must **a)** be taught only in the time slot of the SRS, **b)** be available during the academic year only in the same term as the SRS, and **c)** be the only course that can meet a specific major requirement. No other requests will be considered. Requests must be made directly by the student (not advisers, SRS instructors, or others) to education@union.edu. Requests must include complete details about course conflicts and the name of the student's adviser. The Director of General Education reviews and approves changes. SRS instructors, advisers, and the Registrar cannot make changes. In the case of changes, students will be offered choices (when possible) based on original preferences and enrollment considerations.

What courses count as a Literature course (HUL)?

Courses in English, Modern Languages in Translation (MLT), and other departments that have been assigned the HUL code. AP, IB, or transfer credits may not be used to satisfy the HUL requirement; see above regarding AP English and courses taken on a term abroad.

What PSY (Psychology) courses count as SCLB or SET?

PSY 210 (SET), 310 (SCLB), 311 (SET), 312 (SCLB), 313 (SCLB), 315 (SET), 410 (SET) count as indicated.

Explain the different ways of satisfying the Languages and Cultures (LCC) requirement.

A student can do any **ONE** of these things:

- Take a sequence of two language courses at the 101 level or higher. **PLEASE NOTE:** for Latin or Greek, you must complete LAT 102 and LAT 103 or GRK 102 and GRK 103; LAT 101 and GRK 101 do not count for LCC language sequence credit.
- Take any two non-language courses at Union that carry the LCC code.
- Go on a term abroad that deals with a cultural tradition outside of the US. This satisfies both courses of the LCC requirement.
- Go on a mini-term that deals with a cultural tradition outside of the US. This satisfies one course of the LCC requirement. IF the mini-term is associated with a pre-departure and/or post-return coursework it satisfies both LCC courses.

Can you use one language course and one other LCC course to fulfill the requirement?

No, you cannot combine language and non-language LCC courses in this way.

Do mini-terms in the USA count toward the LCC requirement?

Only the Civil Rights, Community Service and the Mexican-American Border mini-terms count toward the LCC requirement.

Do international students have to complete the LCC requirement?

Yes. The transitional policy for class of 2012 and 2013 students has now ended.
