

Transportation for Attending Medical/Dental Appointments Policy

Purpose: To provide students transportation to attend medical/dental appointments or need to pick-up medication at a local pharmacy.

Procedure:

1. Students that have medical/dental appointments or need to pick up medication at a local pharmacy within 1 mile of campus have the privilege of being driven to and from by Campus Safety.
2. The students are asked to call Campus Safety at 518-388-6911 30 minutes prior to their scheduled appointment time to request a ride. The student will call at the completion of the appointment to request return ride.
3. If transportation is needed for a medical/dental appointment further than the 1 mile from campus, students can utilize the campus Zip car. Zip car sign up can be arranged by opening this web site: **<http://www.zipcar.com/universities/union-college>**.
