- Step 2:** Enter an address, city and state, or ZIP code, as well as how far out you want to search.
- Step 3:** Indicate the specialty (type of doctor) you want to find. If you are looking for a specific physician or group, enter the name in the field provided.

Your search results will appear sorted by the closest distance to your specified location. You may also choose to sort your results alphabetically by last name.

## TIP

There are thousands of physicians in our network. You can narrow your search results by choosing from one of the options shown on the left side of the results page, including gender, specialty, hospitals, and languages.

The screenshot shows the CDPHP website's search interface. At the top, there is a navigation bar with the CDPHP logo and links for Members, Employers, Providers, and Brokers. A 'Contact Us' link is also present. Below the navigation bar, there is a 'RESIZE TEXT' section with three 'A' icons. The main search area is divided into a left sidebar and a main content area. The sidebar contains several search categories: Provider Search, Hospital Search, Laboratory Search, Pharmacy Search, Urgent Care Search, X-Ray & Radiology Search, and Other Services Search. The main content area contains a search form with the following fields: 'Select a Plan Type (1)' (dropdown menu), 'MagnaCare/First Health' (dropdown menu), '-OR-', 'Enter Member ID' (text input), 'Enter address, city + state, or ZIP' (text input with an example: '123 Main Street OR Albany, NY OR 12206'), 'within 10 miles' (dropdown menu), 'Select a Specialty' (dropdown menu), 'Enter all or part of a provider or group name' (text input with an example: 'Rita Smith OR Johnson'), and 'Advanced Search (1)' (link). A 'Search' button is located at the bottom right of the form. A 'Need help with searching?' link is at the bottom left. In the top right corner of the search area, there is a small thumbnail image of a CDPHP member ID card.

A plan for life.
