

Budget and Debt Assistance Services

With more and more Americans losing the battle with their budgets, being well-informed of all your options is the only way to financial freedom!

Our debt counselors offer guidance, tips, and the knowledge you need to help you on your way. You and your household members have access to counseling services that can ease your mind about:

- Debt consolidation, understanding debt
- Understanding credit
- Collection problems
- Budget plans
- Identity theft concerns

Clients can access budget and debt counseling services hassle-free through the EAP toll-free number.

To speak with your EAP call 24/7:
1-800-828-6025
