

Financial Assistance Services

We understand that everyone has financial questions at one time or another. That is why our EAP services provide quality financial information, and it's as easy as one phone call. Our financial planners are eager to help you manage your money, and do not try to sell products or suggest funds or stocks. They are just here to ease financial stress.

Services include:

- Tax information
- Estate planning
- Retirement planning
- College funding information
- Financial health check-ups & investment options

With one phone call, you can be on the fast track to financial wellness.
