Premiums. Premiums are payable to the Company at the rates and in the manner described in the Premiums section of the Declarations section of this Policy. The Company may change the required premiums due on any premium due date on or after the first Policy anniversary date, as measured annually from the Policy Effective Date, by giving the Policyholder at least 31 days advance written notice. The Company may change the required premiums as a condition of any renewal of this Policy. The Company may also change the required premiums at any time when any coverage change affecting premiums is made in this Policy.

Grace Period. A Grace Period of 31 days will be provided for the payment of any premium due after the first. This Policy will not be terminated for nonpayment of premium during the Grace Period if the Policyholder pays all premiums due by the last day of the Grace Period. This Policy will terminate on the last day of the period for which all premiums have been paid if the Policyholder fails to pay all premiums due by the last day of the Grace Period.

If the Company expressly agrees to accept late payment of a premium without terminating this Policy, the Company does so in accordance with the Noncompliance with Policy Requirements provision of the General Provisions section. In such case, the Policyholder will be liable to the Company for any unpaid premiums for the time this Policy is in force, plus all costs and expenses (including, but not limited to, reasonable attorney fees, collection fees and court costs) incurred by the Company in the collection of all overdue amounts.

No grace period will be provided if the Company receives notice to terminate this Policy prior to a premium due date.

BENEFITS

Principal Sum. As applicable to each Hazard and Benefit for each Insured Person, Principal Sum means the amount of insurance in force under this Policy on that person for that Hazard and Benefit as described for the Insured Person's eligible class in the Principal Sums, Hazards and Benefits section of the Declarations section of this Policy.

Reduction Schedule. The amount payable for a loss will be reduced if an Insured Person is age 70 or older on the date of the accident causing the loss with respect to any Benefit provided by this Policy where the amount payable for the loss is determined as a percentage of his or her Principal Sum. The amount payable for the Insured Person's loss under that Benefit is a percentage of the amount that would otherwise be payable, according to the following schedule:

AGE ON DATE OF ACCIDENT	PERCENTAGE OF AMOUNT OTHERWISE PAYABLE
70 - 74	65%
75 - 79	45%
80 - 84	30%
85 and older	15%

Premium for an Insured Person age 70 or older is based on 100% of the coverage that would be in effect if the Insured Person were under age 70.

"Age" as used above refers to the age of the Insured Person on the Insured Person's most recent birthday, regardless of the actual time of birth.

B-1. Accidental Death Benefit. See the Principal Sums, Hazards and Benefits for Eligible Persons section of the Declarations section of the Policy for the applicability of this Benefit with respect to each class of Insured Persons and each hazard. If Injury to the Insured Person results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Principal Sum.

B-2. Accidental Dismemberment and Paralysis, Coma Benefit. See the Principal Sums, Hazards and Benefits for Eligible Persons section of the Declarations section of the Policy for the applicability of this Benefit with respect to each class of Insured Persons and each hazard. If Injury to the Insured Person: (1) results, within 365 days of the date of the accident that caused the Injury, with respect to accidental dismemberment and paralysis; or (2) results, within 365 days of the date of the accident that caused the Injury, with respect to Coma; (2) in any one of the Losses specified below, the Company will pay the Benefit shown below for that Loss:

<u>Type of Loss</u>	<u>Percentage of Principal Sum</u>
Both Hands or Both Feet.....	100%
Sight of Both Eyes.....	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye.....	100%
One Foot and the Sight of One Eye.....	100%
Speech and Hearing in Both Ears.....	100%
One Hand or One Foot.....	50%
Sight of One Eye.....	50%
Speech or Hearing in Both Ears.....	50%
Hearing in One Ear.....	25%
Thumb and Index Finger of Same Hand.....	25%
Paralysis	
Quadriplegia.....	100%
Paraplegia.....	75%
Hemiplegia.....	50%
Uniplegia.....	25%
Coma.....	1% per month

“Loss” of a hand or foot means complete severance through or above the wrist or ankle joint. “Loss” of sight of an eye means total and irrecoverable loss of the entire sight in that eye. “Loss” of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. “Loss” of speech means total and irrecoverable loss of the entire ability to speak. “Loss” of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits.

"Quadriplegia" means the complete and irreversible paralysis of both upper and both lower limbs. "Paraplegia" means the complete and irreversible paralysis of both lower limbs. "Hemiplegia" means the complete and irreversible paralysis of the upper and lower limbs of the same side of the body. "Uniplegia" means the complete and irreversible paralysis of one limb. "Limb" means entire arm or entire leg.

“Coma/Comatose” means a profound state of unconsciousness from which the Insured cannot be aroused to consciousness, even by powerful stimulation, as determined by a Physician. The Coma must continue for 30 continuous days.

No benefit is provided for the first 30 days of the Coma. The benefit is payable monthly as long as the Insured remains Comatose due to that Injury, but ceases on the earliest of the date: (1) the Insured

ceases to be Comatose due to that Injury; (2) the Insured dies; or (3) the total amount of monthly Coma benefits paid for all Injuries caused by the same accident equals 100% of the Principal Sum. The Company will pay benefits calculated at a rate of 1/30th of the monthly benefit for each day for which the Company is liable when the Insured is Comatose for less than a full month. Only one benefit is provided for any one month of Coma, regardless of the number of Injuries causing the Coma.

The Company reserves the right, at the end of the first 30 consecutive days of Coma and as often as it may reasonably require thereafter, to determine, on the basis of all facts and circumstances, that the Insured is Comatose for less, including but not limited to, requiring an independent medical examination provided at the expense of the Company.

If more than one Loss is sustained by an Insured Person as a result of the same accident, only one amount, the largest, will be paid.

Exposure and Disappearance. If by reason of an accident occurring while an Insured Person's coverage is in force under this Policy, the Insured Person is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under this Policy, the loss will be covered under the terms of this Policy.

If the body of an Insured Person has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured Person has suffered accidental death within the meaning of this Policy.

LIMITATIONS

Limitation on Multiple Benefits. If an Insured Person suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided by this Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment and Paralysis and Coma.

Limitation on Multiple Hazards. If an Insured Person's Injury is caused by an accident that occurs under the circumstances described in more than one Hazard applicable to that person as shown in the Principal Sums, Hazards and Benefits section of the Declarations section of this Policy, for Policy purposes the Principal Sum for that Insured Person for that accident will be determined as though the accident occurred under the circumstances described in only one such Hazard, the Hazard with the largest Principal Sum: H-12, H-15, H-34, H-39, H-43, H-44.

Limitation on Benefits under Multiple Accident Plans. If an Insured Person is covered under one or more same type accident plans for the same Policyholder underwritten by the Company or its affiliates and if the Insured Person suffers a loss from an accident for which one or more Benefits are payable under more than one same type accident plan for that Policyholder, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest, subject to the maximum amount payable under such accident plan with the largest maximum. Benefit payments will be payable under only one accident plan.

Aggregate Limit. The maximum amount payable under this Policy may be reduced if more than one Insured Person(s) suffers a loss as a result of the same accident, and if amounts are payable for those losses under one or more of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment and Paralysis and Coma Benefit. The maximum amount payable for all such losses for all Insured Persons under all those Benefits combined will not exceed the amount shown as

the Aggregate Limit in the Declarations section of this Policy. If the combined maximum amount otherwise payable for all Insured Persons must be reduced to comply with this provision, the reduction will be taken by applying the same percentage of reduction to the individual maximum amount otherwise payable for each Insured Person(s) for all such losses under all those Benefits combined. NOTE: If the Declarations section of this Policy states that an Aggregate Limit is restricted in its applicability to certain eligible classes or certain Hazards, this Aggregate Limit provision applies only to Insured Persons in those eligible classes or to whom that Hazard applies.

GENERAL EXCLUSIONS

No coverage shall be provided under this Policy and no payment shall be made for any loss resulting in whole or in part from, or contributed to by, or as a natural and probable consequence of any of the following excluded risks even if the proximate or precipitating cause of the loss is an accidental bodily Injury:

1. suicide or any attempt at suicide or intentionally self-inflicted Injury or any attempt at intentionally self-inflicted Injury.
2. travel or flight in or on (including getting in or out of, or on or off of) any vehicle used for aerial navigation, other than as a fare-paying passenger on a scheduled or charter flight operated by a scheduled airline, unless specifically provided by this Policy.
3. declared or undeclared war, or any act of declared or undeclared war, unless specifically provided by this Policy.
4. sickness, disease, mental incapacity or bodily infirmity whether the loss results directly or indirectly from any of these, unless specifically provided by this Policy.

8. the Insured Person being under the influence of drugs unless taken under the advice of and as specified by a Physician.
9. the Insured Person's commission of or attempt to commit a crime.
10. the medical or surgical treatment of sickness, disease, mental incapacity or bodily infirmity whether the loss results directly or indirectly from the treatment.

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 20 days after an Insured Person's loss. Notice given by or on behalf of the claimant to the Company at AIG A&H Claims Department, P.O. Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured Person, is deemed notice to the Company. Failure to give notice within such time shall not invalidate or reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company in the case of claim: (1) for which this Policy provides periodic payment contingent upon continuing loss, within 30 days after the termination of the period for which the Company is liable; and (2) for any other loss within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured Person will be made to the Insured Person's beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured Person suffering the loss. If an Insured Person dies before all payments due have been made, the amount still payable will be paid to his or her beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately, but not more than 60 days after the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, and any application or attached papers make up the entire contract between the Policyholder and the Company. All statements made by the Policyholder will be considered representations and not warranties. No statement made by the Insured Person shall avoid the insurance or reduce benefits thereunder unless contained in a written instrument signed by the Insured Person.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent has the authority to change this Policy or waive any of its provisions.

Incontestability. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

Certificates of Insurance. The Company, when required, will provide certificates of insurance for distribution to each Insured describing the coverage provided, any limitations, reductions, and exclusions applicable to the coverage, and to whom benefits will be paid.

Beneficiary Designation and Change. The Insured's designated beneficiary(ies) is (are) the person(s) so named by the Insured for the Policyholder's group life insurance policy as shown on the Policyholder's records kept on that policy, unless the Insured has named a beneficiary specifically for this Policy as shown on the Policyholder's records kept on this Policy. The Insured Dependent's beneficiary is the Insured unless the Insured has named a different beneficiary(ies) for the Insured Dependent's coverage as shown on the Policyholder's records kept on this Policy.

An Insured over the age of majority and legally competent may change his or her beneficiary designation or the beneficiary designation for an Insured Dependent's coverage at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiary(ies) or the Insured Dependent, by providing the Policyholder with a written request for change. When the request is received by the Policyholder, whether the Insured or the Insured Dependent is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

If there is no designated beneficiary for an Insured's coverage or no designated beneficiary for the Insured's coverage is living after the Insured's death, the benefits will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

If no beneficiary for an Insured Dependent's coverage is living on the date of the Insured Dependent's death, the beneficiary is the Insured's estate.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Noncompliance with Policy Requirements. Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured Person if that insurance would otherwise have been in effect nor extend the insurance of any Insured Person if that insurance would otherwise have ended or been reduced as provided in this Policy.

Records. The Company has the right to inspect at any reasonable time, any records of the Policyholder that may have a bearing on this insurance.

Assignment. This Policy is non-assignable. An Insured may assign all of his or her rights, privileges and benefits under this Policy without the consent of his or her designated beneficiary. The Company is not bound by an assignment until the Company receives and files a signed copy. The Company is not responsible for the validity of assignments. The assignee only takes such rights as the assignor possessed and such rights are subject to state and federal laws and the terms of this Policy.

New Entrants. This Policy will allow from time to time, that new eligible Insured Persons of the Policyholder be added to the class(es) of Insured Persons originally insured under this Policy.

subsequently enrolls in an Institution of Higher Learning or professional or trade training program within 30 months after the date of the Insured's death. The benefit will be paid for each year of the Spouse's continuous enrollment in an Institution of Higher Learning or professional or trade training program, to a maximum of four (4) consecutive years. 3. \$10,000.

The applicable portion of the yearly benefit for each term of enrollment is payable upon receipt of proof of enrollment for that term.

A Spouse who ceases to be enrolled as described above becomes permanently ineligible for the benefit, even if he or she reenrolls at a later date. Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. - Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or person may enter into certain transactions in or connected to such designated “sanctioned” countries.

Additional and more in-depth information on OFAC is available at the following website:

<http://www.ustreas.gov/offices/eotffc/ofac>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER
