

## **\*\*WINTER TERM 2006 REGISTRATION INSTRUCTIONS\*\***

Course selections must be made in consultation with faculty advisors. The 2005-06 Academic Register gives full descriptions of courses as well as information on prerequisites. Additional course descriptions may be found within this document.

**Effective Fall Term 2005**, a new four level course numbering scheme was put in to place. Courses numbered 0-49 will be those that carry no credit. Courses numbered 50-99 are designated for General Education or other courses that do not count for the major. Courses numbered 100-199 are all introductory level offerings. Courses numbered 200-299 are those at the sophomore/junior level that may also be taken by non-majors. Courses numbered 300-399 are upper-level which are primarily intended for majors, i.e. which represent the depth component of the major. Courses numbered 400-499 are all advanced level courses for seniors, including those used to fulfill the Senior Writing Experience (WS), seminars, research, thesis and independent studies.

**WRITTEN PERMISSION** from your advisor is required and must be submitted to the Office of the Registrar when taking less than the normal course load (three (3) courses) per term. Please see Page 2 for information regarding fourth courses.

**DISCLOSURE OF DIRECTORY INFORMATION:** Union College hereby designates the following student information as public or "Directory Information." Such information may be disclosed by the institution for any purpose, at its discretion:

Name, address (campus, home, e-mail), telephone numbers, date and place of birth, academic fields of study, dates of attendance, ID photographs, participation in recognized activities and sports, degrees and awards, weight and height of athletic team members, most previous educational agency or institution attended, or other similar information. The College may publicize or respond to requests for such information at its discretion. However the use of these records for commercial or political purposes is prohibited unless approved by the Vice President for Academic Affairs.

Union College assumes that failure on the part of any student to specifically request the withholding of "Directory Information" indicate individual approval for disclosure. Furthermore, pursuant to the terms of the Family Educational Rights & Privacy Act of 1974, as amended, Union College reserves the right to publish or release any or all of the above "Directory Information" for internal institutional use only, whether or not a student requests the withholding of such information by the means indicated above.

**Please Note:** Union College and The Graduate College of Union University are two separate Colleges. All graduate level courses taken by Union undergraduates, including Leadership in Medicine and Combined Degree students will be taken through the Graduate College of Union University and will require completion of a special "Graduate College of Union University" Cross Registration Form. These forms are available in the Registrar's Office in Silliman Hall.

## **Fourth Course Policy**

The annual tuition at Union allows a student to register for three terms taking three courses per term. This allows students to complete the required 36 courses for graduation. In some Engineering programs as many as 40 courses may be required and those students are permitted to enroll in 10 courses per year.

Students who are making satisfactory progress in their program of study are allowed to enroll in one fourth course during an academic year at no extra charge, provided they have a GPA of at least 3.3. These courses can be used to enhance the student's academic experience at Union, as can any additional fourth courses, for which there will be a fee. All such courses will appear on the transcript and can be used to fulfill program requirements; however, they can not be used for the purpose of accelerated graduation. (This includes fourth courses taken on a Term Abroad.)

Fourth courses can also be used to make up a deficiency in credits due to withdrawals or failure, or if a student does not have the requisite GPA. A 4<sup>th</sup> course fee will be charged under these circumstances (for 2005-2006 the fee will be \$2,445). Students whose GPA is below 2.5 will need the written permission from Dean Rosenthal before signing up for a fourth course.

All students, except Leadership in Medicine (LIM) and Scholar students, will be required to fill out the "Petition to Enroll in a Fourth Course" form. Forms are available at the Registrar's Office or on the web.

**\*\*\* DESCRIPTIONS OF COURSES NOT IN THE  
2005-2006 ACADEMIC REGISTER \*\*\***

**ACC 100 Survey of Accounting** – A survey of selected topics within various areas of accounting such as managerial accounting, financial accounting and tax accounting. Emphasis will be on concepts and not on record keeping.

**ADA 045 Tap Dance Practicum-** Tap dance provides students with the study of steps found in the tap dancing art form. Students will be introduced to proper warm up, tap steps, specific exercises in rhythms, routines, and use of music. For dancers, adding a tap class will give them the opportunity to learn about a new dance form. Students that have previous experience in tap will be able to expand their expertise. For the theater students the learning of tap can eventually be useful for musicals. \$100 Fee. Please refer to the Misc. Notes on Page six (6) regarding possible credit.

**ADA 150/ATH 127 Staging Explorations in Theater and Dance** – Course based on the multi-disciplinary arts of the early twentieth century in France that will offer students an immersion into important developments in Western performative expressions. Will study this dynamic era of the French avant-garde, its historical background, and principal creators in theater, dance, visual arts, and cinema. This influential period will be explored through discussions and lectures, studio work, and collaborative creation. The theater/dance collaboration will be produced and performed at the Yulman Theater during the Winter Dance Concert. *No prerequisite.*

**BIO 094 Understanding Cancer** – Everyone has been touched at some point in their lives by cancer. This course aims to provide insight into the fundamental concepts involved in the life cycle of a cell, how cancer is related to those processes, and how those fundamental processes have led to advances in cancer. Not open to students who have already completed BIO 110 and BIO 113. Fulfills GenEd science requirement (SCIE) (no lab).

**CLS 142 The Ancient World in Film and Literature** – Greco-Roman antiquity has been a favorite topic of Hollywood for years. This fascination continues today with the recent appearance of the blockbusters *Troy* and *Gladiator*, as well as such TV productions as *Helen of Troy* and *Rome*. Why do the Greeks and Romans appeal to a modern audience? This course will consider ancient texts in translation alongside with their modern film representations. Our goal will not be to consider where the films went “wrong”. Instead, we will question how these films recast and reinterpret classical texts to reflect modern interests. This course will include an “entrepreneurship module.” We will question what is entrepreneurship and if Hollywood’s commodification of the ancient world is entrepreneurial. No previous knowledge is required. All texts are in English.

**CSC 065 Creative Computing** – An introduction to computer science and programming for everyone who never thought they could successfully tell the computer to do cool things. First we will explore the magic and limitations of computing through a number of physical exercises. Then students will use the Python programming language to do things such as robot simulations, image manipulation, sound splicing, animations, HTML generation and automated reading of web pages. This course is open to all students. GenEd: Math.

**CSC 240 Web Programming** – This course addresses the standards in programming applications for the Web. It will cover XHTML, CSS, JavaScript, PHP, and some CGI programming in Perl and Python. It is intended for Computer Science majors. Non-majors should consider CSC 055 – Working with the Web. Prerequisites: CSC 105 – Introduction to Computer Science

**ECE 222 Introduction to Circuits and Electronics** - Electrical quantities, circuit principles, analysis and response of basic circuits, semiconductor physics, diodes, transistors, and operational amplifiers. Includes a weekly lab. Not open to Electrical or Computer Engineering majors, or to students who have taken ECE225. Prerequisites: ESC100, PHY121

**HST 143 Entrepreneurship in Medieval and Renaissance Europe**– This course will examine the meaning and impact of entrepreneurship during the thousand years (or so) prior to the rise of modern capitalism in the early modern era. It will take a broad view of entrepreneurship as ability to perceive opportunities that others cannot see and to exploit those opportunities by combining resources and expertise to achieve a particular end. Economic entrepreneurs will get most, but not all of the attention.

**MTH 052 Statistics: Mathematical Analysis of Data** - An introductory course on the concepts and application of probability and the analysis of sampling of data. Topics include an introduction to probability, stochastic processes, sampling theory, linear regression, inference, confidence intervals, hypothesis testing, and comparison of samples. Not open to students who have taken a Math Course. GenEd: MATH.

**MTH 197 Discrete Mathematics in Computer Science** – Designed to enable the student to develop the ability to understand and communicate mathematical arguments in the context of a number of topics in discrete mathematics that are of direct relevance to computer science.

**PHL 233 Philosophy of Biology** – This course will take you on a tour through some of the philosophical and theoretical issues related to the biological sciences. We'll begin by examining the basic principles of evolutionary theory, and the putative challenges it faces from advocates of 'Intelligent Design'. We'll then consider a hotly debated issue *internal* to biology: the question of how best to understand the role of adaptationist reasoning in evolutionary theory. As a case study, we'll have a detailed look at the current dispute over the evolution of the language faculty. We'll then turn to some of the possible implications of evolutionary theory for the study of culture and ethics. We'll end the term by considering some practical issues that biology raises, focusing on the ethical/social issues related to the Human Genome Project, human stem cell research, and human cloning.

## \*\*\*KEY TO ABBREVIATIONS\*\*\*

Y=Petition Course (department permission required for registration.)

Cls – Class section (including independent studies & thesis)

Lab – Laboratory section

### Key to GenEd abbreviations:

AMC	American Civ	CDLA	Latin American Studies
AMCS	American Civ/Survey	EUC	European Civ
AMHT	American History	EUCS	European Civ/Survey
AML	American Lit	EUHT	European History
AMLS	American Lit/Survey	EUL	European Lit
ANC	Ancient Civ	EULS	European Lit/Survey
ANCS	Ancient Civ/Survey	MATH	Mathematics
ANHT	Ancient History	SCIE	GenEd Science
ANL	Ancient Lit	SCLB	Science w/Lab
ANLS	Ancient Lit/Survey	SCMJ	Science for Majors
CDA	Africana Studies	SCMT	Science w/Math
CDEA	East Asian Studies	SOCS	Social Science

### Key to **WRITING ACROSS THE CURRICULUM** abbreviations:

WAC=one unit of writing credit

WS=Senior Writing

NOTE: Writing courses are designated as either WAC or WS.

All students will need five (5) WAC courses, including one outside the Division of the major, and one senior writing experience, (WS).

All W1 courses under the old system will equal one WAC course. All W3 courses will count as two WAC courses.

### Location Codes:

Abroad-Terms Abroad Program

SSCI-Social Science Bldg.

STZH-Steinmetz Hall

SWSE-South Wing – Sci & Engr Ctr

WOLD-Wold House

YELW-Yellow House

## **MISCELLANEOUS NOTES**

**Performing Arts Practica** – One course credit is optionally available for participation, after 3 consecutive terms, of Choir (AMU016); Orchestra (AMU017); Jazz Ensemble (AMU015); Theater (ATH010); Dance (ADA010-012, 020, 021, 030, 031, 040, 045 – **fees applicable**); and for vocal and instrumental lessons (AMU010 – individual fees). For full details contact The Music or Theater and Dance Departmental Office.

**SPECIAL NOTE TO ALL STUDENTS SIGNING UP FOR COURSES WHICH HAVE MULTIPLE SECTIONS, ESPECIALLY IN THE SCIENCES:** Due to the possibility of over and under enrollments in certain sections of multiple section courses, the Registrar’s Office, at the request of department chairs, may switch students out of their originally scheduled courses in order to balance the sections.

### **ATTENTION: PETITION COURSES:**

Almost all non-petition courses in Biology, Chemistry, Economics, Mathematics, Modern Languages, Physics, and Political Science have either prerequisites and/or class limits. Please refer to the catalog description in the current Academic Register for specific course prerequisites. Students without the appropriate prerequisites will not be allowed to register for a course without written permission from the instructor.

### **CROSS-REFERENCED COURSES:**

**PLEASE NOTE:** The first course is the cross-referenced course and the **second** course is the “**Main**” course. Students have the option of signing up for the course under one of the two department headings. If you have a question about the course, or if it is designated as a “petition” course, please see the department that is listed **second (the main course)**.

## GenEd COURSES: WINTER 2006

---

### SCIENCE

The following courses are designated as "...suitable for non-Science majors in fulfilling the GenEd science requirement." Students are reminded that any science course for major credit may count for the GenEd requirement, but at least one of the two courses must offer a laboratory experience (and not all major courses have labs).

AST-050	The Solar System w/Lab	SCLB
ANT-275	Biology of Homo Sapiens	SCIE
BIO-094	Understanding Cancer	SCIE
BIO-275	Biology of Homo Sapiens	SCIE
GEO-101	Earth, Life Thru Time w/Lab	SCLB
GEO-104	Geological Perspect on Energy	SCIE

The following courses are designated as "...suitable for the non-Science major who has a good background in the area and a strong interest in the subject matter." Students are reminded that any science course for major credit may count for the GenEd requirement, but at least one of the two courses must offer a laboratory experience (and not all major courses have labs).

BIO-110	Heredity/Evol/Ecology w/Lab	SCLB
BIO-112	Cells & Organisms w/Lab	SCLB
BIO-113	AP Biology w/lab	SCIE
CHM-101	Matter: Struct & Change W/Lab	SCLB
CHM-102	Matter: Enrgy & Dynamics W/Lab	SCLB
GEO-204	GIS for Humanity	SCLB
PHY-111	Physics/Life Sciences 2 w/Lab	SCLB
PHY-120	Matter in Motion W/Lab	SCLB
PHY-120H	Matter in Motion Honors w/lab	SCLB

### MATHEMATICS

CSC-065	Creative Computing	MATH
MTH-052	Stat: Math Analysis of Data	MATH
MTH-057	Game Theory	MATH
MTH-101	Calculus with Precalc 2	MATH
MTH-110	Calculus 1	MATH
MTH-112	Calculus 2	MATH
MTH-113	AP Calculus	MATH

### ANCIENT SEQUENCE LITS & CIVS

If your history sequence is **CLS-121 – History of Greece** and **CLS-125 – History of Rome**, you should select your Literature and Civilization courses from among the following. One course must be a literature course; the other may be literature or civilization. One of the two courses must be a survey. **CLASS 2009** – only one Lit & Civ course required in Ancient sequence.

CLS-142	Spec Top:Ancient Wrld in Film&Lit	ANCS
LAT-341	Roman Historiography	ANL
CLS-168	The Ancient Novel	ANLS
GRK-333	Greek Tragedy	ANLS

## EUROPEAN SEQUENCE LITS AND CIVS

If your history sequence is **HST-103 – History of Europe I** and **HST-104 – History of Europe II**, you should select your Lit and Civ courses from among the following. One course must be a literature course; the other may be literature or civilization. One of the two courses must be a survey. **Class 2009** – only one European history course required.

AAH-102	Intro to Art History 2	EUCS
AAH-220	History of Photography 1	EUCS
AMU-061	Beethoven to Bernstein	EUCS
EGL-119	Major English Authors 1	EULS
EGL-120	Major English Authors 2	EULS
EGL-121	Major English Authors 3	EULS
EGL-127	Comedy	EULS
EGL-237A	Jewish Women Writers	EULS
EGL-238H	Intro to Irish Lit & Film	EUL
EGL-353	Literature of the Renaissance	EUL
EGL-355	Shakespeare to 1600	EUL
EGL-357	Lit of the 17th Century	EUL
EGL-366	Late Victorian Lit: Novels	EUL
FRN-308	Women on Top: French Narrative	EULS
FRN-411	Topic: 20th Century Novel	EUL
GER-334	19/20 C Ger Women Cult&soc	EULS
MLT-234	19/20 C Ger Women Cult&soc	EULS
PHL-155	17 & 18 Cent Europe Philosophy	EUCS
PHL-250	Ethical Theory	EUC
PSC-113	Intro to Political Thought	EUCS
SOC-305	History:Sociological Thought	EUC
SPN-302	Span Culture: Film Since 1929	EUC
SPN-303	Bodies & Souls:	EUC
SPN-447	Contemp Spanish Narrative	EUL
WGS-222	19/20 C Ger Women Cultr&Soc	EULS
WGS-239	Jewish Women Writers	EULS
WGS-303	Bodies & Souls:	EUC
WGS-365	Women on Top: French Narrativ	EULS

## AMERICAN SEQUENCE LITS AND CIVS

If your history sequence is **HST-101 – History of the United States to the Civil War** and **HST-102 – History of United States Since the Civil War**, you should select your Lit and Civ courses from among the following. One course must be a literature course; the other may be literature or civilization. One of the two courses must be a survey. **Class 2009** – Only one American History course required.

AMU-130	American Music	AMCS
ECO-226	Financial Markets	AMC
EGL-122	Major American Authors 1	AMLS
EGL-124	Major American Authors 2	AMLS
EGL-236D	Intro to Black Poetry	AML
EGL-237A	Jewish Women Writers	AMLS
EGL-375	Late 19th Century American Lit	AML
EGL-488	Sr Seminar: Toni Morrison	AML
HST-223	20th C Amer Intellectual Hist	AMC
WGS-239	Jewish Women Writers	AMLS
WGS-488	Sr Seminar: Toni Morrison	AML

## CULTURAL DIVERSITY TRACK (FOR SECTION IV OF GENED)

If you want to use the Cultural Diversity Track to fulfill Section IV of GenEd, you should take three courses in one of the following areas: Africana Studies (CDAA), East Asian Studies (CDEA), or Latin American Studies (CDLA).

### CDAA

ANT-181	Anthro of Sub-Saharan Africa	CDAA
ANT-490T	Anthro Ind Study Abroad	CDAA
EGL-236D	Intro to Black Poetry	CDAA
EGL-239H	Contemporary African Fiction	CDAA
EGL-488	Sr Seminar: Toni Morrison	CDAA
HST-231	Civil Rights Movement	CDAA
SOC-230	African-Amer in Cont Society	CDAA
WGS-488	Sr Seminar: Toni Morrison	CDAA

### CDEA

AAH-105	Arts of Japan	CDEA
AAH-286	Art & Archaeology Central Asia	CDEA
CHN-101	Basic Chinese 2	CDEA
CHN-201	Intermediate Chinese 2	CDEA
CHN-301	Advanced Chinese 2	CDEA
ECO-354	International Economics	CDEA
HST-382	World War II in Asia	CDEA
JPN-101	Basic Japanese 2	CDEA
JPN-201	Intermediate Japanese 2	CDEA

### CDLA

ANT-244	Urban Anthropology	CDLA
HST-332	Transnational America	CDLA
HST-471	Sem:individual in Lat. Am.	CDLA
MLT-281	Identities in Latin Am Cinema	CDLA
WGS-220	Identities in Latin Am Cinema	CDLA

## CROSS REGISTRATION

**Please Note:** Union College and The Graduate College of Union University are two separate Colleges. All graduate level courses taken by Union undergraduates, including Leadership in Medicine and Combined Degree students will be taken through the Graduate College of Union University and will require completion of a special “Graduate College of Union University” Cross Registration Form. These forms are available in the Registrar’s Office in Silliman Hall.

Cross Registration has been a service of the Member Institutions of the Hudson Mohawk Association since 1970, when the Association was chartered by the New York State Board of Regents. All full time matriculated students at Union are eligible to Cross register in courses during the academic year offered at:

Adirondack Community College	Maria College
Albany College of Pharmacy	Massachusetts College of Liberal Arts
Albany Law School	Rensselaer Polytechnic Institute
Albany Medical College	Sage Colleges
The College of Saint Rose	Schenectady County Community College
Empire State College	Siena College
Fulton-Montgomery Community College	Skidmore College
*Graduate College of Union University	SUNY/Albany
Hartwick College	SUNY/Cobleskill
Hudson Valley Community College	

The purpose of the Cross registration program is to provide students the opportunity to study areas not represented by the offerings of their home college, at no additional tuition charge. In addition to general guidelines, each college has its own set of regulations, regarding Cross-registration and students should make themselves aware of these for both their home campus and the campus they are visiting.

For more information visit the Cross registration section of the website at [hudsonmohawk.com](http://hudsonmohawk.com) or call Eileen Jarmul, Assistant Registrar, 388-6015.
