Summer Registration:

Visiting and new students who enroll in summer courses are designated as non-degree students. Visiting students from other colleges and universities should obtain permission from an appropriate official at their school if they wish to transfer credit from Union College. A copy of your college transcript is required.

Qualified high school students may enroll in any of the 100 level undergraduate courses. A high school recommendation and transcript are required.

Union College Students: In accordance with the summer school policy of the College, summer courses may be used to enhance your Union College education. They can be used to fulfill requirements for the major/minor or for the Core Curriculum Program and will appear on your transcript.

There will be a tuition charge for all course credits, including independent studies and internships.

If you are currently behind in credits, summer courses can be used towards the 36 minimum courses required for graduation.

If you are NOT currently behind in credits, summer courses will be an additional credit beyond the 36 required for Graduation and cannot be used to accelerate graduation.

IMPORTANT NOTICE: All students attending New York State colleges and universities, whose birth date is on or after January 1, 1957, are required to show proof of immunity against measles, mumps, and rubella.

If you are registering for more than one course and are not currently a matriculated Union student, proof of immunization must be submitted to the Health Services Office in Wicker Wellness Center **prior to registration**. A form is available for this purpose. Students may also provide a physician's written statement as proof of immunization, but such documentation must provide all required information and be attached to our form. Health Services Office will provide the student with a "Health Clearance" form indicating compliance with the law. This form **must** be presented in order to register.

Student's whose religious beliefs prohibit immunization, or for whom these immunizations would be detrimental to their health, will be required to submit documentation in support of their request for waiver. Questions concerning immunization requirements should be directed to the Health Services Office at (518) 388-6120.
