Procedure for Admission and Registration of Part-Time Students

“Part-time students” include Union College employees, their spouses/domestic partners and dependent children, high school students, home schooled students, matriculated students at colleges participating in the Hudson Mohawk Consortium, students matriculated at colleges outside the Capital District, Johns Hopkins scholarship recipients, UCALL Members, senior citizens, and other interested members of the community.

Part-time students, both matriculated and non-matriculated, are eligible to register for courses after the full-time students have prescheduled. This will occur during the tenth week of the fall term for winter courses and the tenth week of the winter term for spring courses. For fall courses, it will occur after the incoming first year students have had a chance to add/drop in September, first week of the fall term. All students taking a course for credit are required to submit an unofficial copy of their high school transcript (or equivalency) OR a copy of their most recent college transcript, with the exception of UCALL, Senior Citizens and matriculated students from one of the colleges in the Hudson Mohawk Consortium.
