The MicroFridge - Because hunger never takes a holiday

The MicroFridge is a great solution to many problems faced by students living at college. When the Dining Hall is closed, the store is too far away, and your stomach is growling, the MicroFridge can offer a variety of hot and cold hunger solutions.

The MicroFridge is the only microwave allowed on most campuses. Its patented SafeCircuit™ technology keeps circuits from overloading by suspending the refrigerator's operation while the microwave is running. The entire unit uses a single plug, keeping electrical outlets free for other uses.

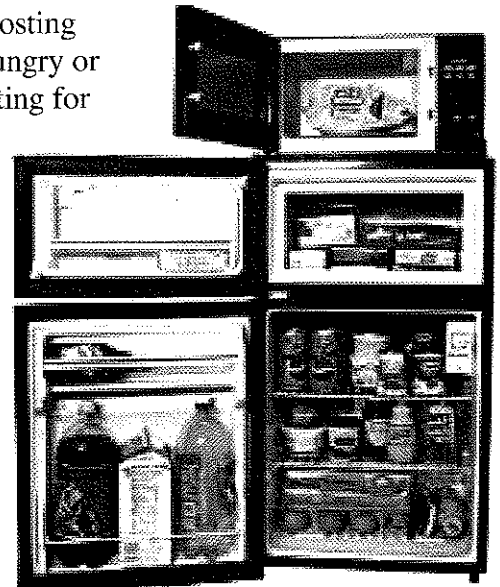

As a college student, there is no question there will be late night study sessions and missed meals.

The MicroFridge ensures a way to prepare a quick meal or energy-boosting snack to keep you working through the night. You won't have to go to bed hungry or spend time trying to find something to eat or drink - it will be right there waiting for you, so you can go back to more important things.

The MicroFridge allows you to save money.

Instead of paying for low-nutrition fast food meals or expensive takeout, you can stock your fridge with the food you normally buy at the grocery store. Cold beverages, frozen foods, home cooked meals, and microwavable products can be yours at any time. Eat what you like, when you like, and your money won't evaporate at the drive-thru.

- Other Features:
- Ample door storage capacity
 - Zero degree freezer
 - Adjustable temperature control
 - Multiple interior shelves
 - UL Listed
 - Powerful turntable microwave with multiple cook settings

REFRIGERATOR RENTAL AGREEMENT

1. The Company hereby leases to the Lessee a unit at the location specified on the invoice.
2. The rent for the unit leased shall be payable in full upon delivery, or prior to delivery.
3. Lessee shall not alter or damage this unit. Lessee will return the unit cleaned and defrosted. Lessee will forfeit security deposit if unit is returned unclean, missing accessories, damaged, or with adhesive stickers or decals. Do not defrost unit with sharp objects. Doing so will destroy the unit and void damage waiver. Let the unit defrost by unplugging unit or using a hair dryer.
4. The Lessee shall not remove the unit from location specified on this invoice without notifying the Company in writing. If Lessee moves the unit to a location other than the address specified without notifying the Company, Lessee will forfeit security deposit.
5. The Lessee shall not sublet the unit without notifying the Company in writing. Lessee agrees to forfeit security deposit if unit is sublet or transferred without notifying the Company.
6. The Company will repair or replace the unit if it does not provide normal service during the term of this agreement. There will be no charge to the Lessee unless malfunction or damage was due to the negligence of the Lessee.
7. If the unit is lost, stolen, or damaged while leased under this contract, the Lessee will be responsible for its replacement cost.
8. There will be no refunds given for cancellation of rental at any time for any reason. In the event Lessee withdraws from school, unit must be sublet and the Company notified of new Lessee. If the unit cannot be sublet, Lessee must call the Company within two weeks before leaving and make arrangements for the return of the unit.
9. Prior to May 1st, the Company will notify the Lessee of the proper time and date on which to return the unit. This date will be no earlier than two weeks prior to the start of the semester's final exams week. The Lessee must return the unit at the specified time and date or contact the Company at least 10 days in advance to make other arrangements. Failure to return the unit on the correct time and date without proper notification to the Company will result in the loss of the security deposit. If the Lessee fails to determine the correct return date and does not return the unit on time, the security deposit will be forfeited, and the Lessee will be charged for the unit. Return date will also be posted on our website at www.refrigeratorleasing.com no later than two weeks prior to pick up dates.
10. It is understood and agreed that the unit will at all times remain the Company's. Failure to return leased property to the Company will result in the Lessee being charged for the unit.
11. Lessee agrees to pay attorney's fees, collection charges and any other expenses incurred by the Company in collecting any charges under this Agreement or in re-taking the said rental property or in otherwise enforcing the terms of this agreement.
12. Lessee shall indemnify the Company against all loss or damage arising from the use of the unit during the term of this lease.
13. Lessee will pay the Company \$100 for any "cube", \$150 for any "counter high", \$300 for any "fridge/freezer", and \$500 for any "MicroFridge" unit not returned on the scheduled return date.
14. Liability for injury, disability and death caused by the operation of this refrigerator during the rental term shall be assumed by the Lessee, and the Lessee shall indemnify the Company against all such liability.
15. Any breach of this contract will result in the loss of the security deposit. Security deposit will otherwise be returned upon the surrender of the equipment to the Company at the end of the term of the lease.
