Program Summary:
It was a century like no other. War, revolution, oppression and a fragile freedom — all forged in the crucible of the largest nation on earth. Join us on a historical expedition to St. Petersburg and Moscow to follow the dramatic arc of Russia in the 20th century. Visit the sites where history was made, and witness the relics of a former glory and a grandeur that still endures. But most importantly, meet the people and the descendants of those who were on the front lines of Europe’s most formidable events.

Program Highlights:
- Experience the refined culture of St. Petersburg at the Hermitage, the czars’ Winter Palace, Catherine’s Palace, the Fabergé Museum and at a ballet performance.
- Immerse yourself in the intellectual and political history of Moscow at some of the nation’s most important institutions, museums and monuments.
- Learn about Russia’s pivotal events through the people who lived them: a former Russian cosmonaut, a survivor of the 900-day siege of Leningrad and others
