Honoring U: A Tribute to the Class of 2020

Dear seniors,

On Sunday, June 14, at 12:00 noon EDT / 9:00 am PDT, Union College will honor the achievements of the Class of 2020 during a virtual conferral of degrees streamed on the College Facebook page (www.facebook.com/unioncollege). We invite all seniors, along with their friends and families, to join the leadership of the College in celebrating this major milestone in your lives.

While this celebration will not substitute for the formal reading of names and crossing of the stage of the formal commencement ceremony we are planning for a later date (stay tuned as we work with your class representatives to plan that event), it will honor each graduate individually. We ask each of you to share an image of yourself and a brief "Thank You" message that will be shared in a video feed during the celebration. **Please follow the instructions below by May 30, 2020.**

You can keep up to date on the latest developments and access a variety of resources (video, photos, regalia orders, lawn signs, backgrounds, social media aggregator, etc.) on the Class of 2020 website.

Given all that you have achieved, especially in the face of this current pandemic, I am eager to gather together with you to celebrate in person. Stay tuned for those details, which we will share as soon as they are available. In the meantime, I look forward to joining you virtually to honor the class of 2020 and mark its impressive accomplishments.

Sincerely,

Strom Thacker
