

Certification of Finances

Instructions

All undergraduate applicants to Union College who are not eligible for U.S. federal student aid (not U.S. citizens or permanent residents) must submit this Certification of Finances with their application for admission.

Please carefully review and complete this form. A bank statement, attestation, or other documentation is not required with this form, although the college may require such documentation on a case-by-case basis. If any financial documentation is required beyond this Certification of Finances form, a college representative will contact you.

This form can be completed electronically, but it must be reviewed and signed by both the student and a parent or guardian. If a question is not applicable, please leave it blank. **Report all currency in U.S. dollars (USD).**

Contact the Union College **Office of Admissions** at admissions@union.edu if you have any questions or need to make any changes after you submit this form.

Expected Financial Support

In this table, please report what you are able to contribute each year toward the total comprehensive fee at Union College. The total comprehensive fee includes tuition, required fees, housing, and food. The comprehensive fee does not include student health insurance or indirect expenses, like books, transportation, incidental expenses, or any other charges that you may accrue through your program, depending on what optional offerings you choose to pursue. You must budget for student health insurance and indirect expenses separately. **Report all currency in U.S. dollars (USD).**
