Creating a Better World

Becker Career Center is committed to supporting people of every race, color, religion, ethnicity, sexual orientation and socio-economic background. We encourage broad diversity, equity, inclusion and belonging throughout every workplace in the world. The Becker Career Center believes there are great opportunities for everyone, and we want to help you find your perfect fit. We have compiled the following list of internships, fellowships, professional development programs, scholarships and other opportunities to assist you in finding and acquiring your dream opportunity.

The organizations represented cover a wide-range of industries, including government, non-profit, marketing, academia, finance, high-tech, arts and more. Some of the opportunities are open to all students and early grads, while others are unique opportunities targeted for people with specific interests, academic focus or specific demographics. To take advantage of any of these opportunities, please follow the directions provided on the organization's website. Feel free to peruse them all to find your perfect spark.

The Becker Career Center strives to provide you with the most current and relevant resources possible, but the reality is that many opportunities in life are moving targets. Unfortunately, during the unprecedented COVID-19 pandemic, many opportunities have been put on hold, or had to change forums and delivery methods. Please don't let this discourage you! With the health and safety of everyone being the number one priority, organizations are continuing to create new learning, growing and development opportunities in ways never imagined before.

While we aim to stay updated, we kindly ask that if you happen to come across a link, website, program or detail that is out of date, no longer active, or has moved URLs, please shoot an email to careercenter@union.edu and we'll get right on it!

Disclaimer:

Becker Career Center does not endorse, nor receive compensation from any of the organizations listed in this resource guide. The information was compiled in good faith and is intended to assist students and recent graduates in furthering and enhancing their careers. Links and opportunities were validated as of February 14, 2022.
