

Wherever life takes you, **take Gia.**[®]

The *Gia by MVP* mobile app is loaded with features. It's more than virtual urgent care, it's a guide to your health and your health plan.

A guide to your health.

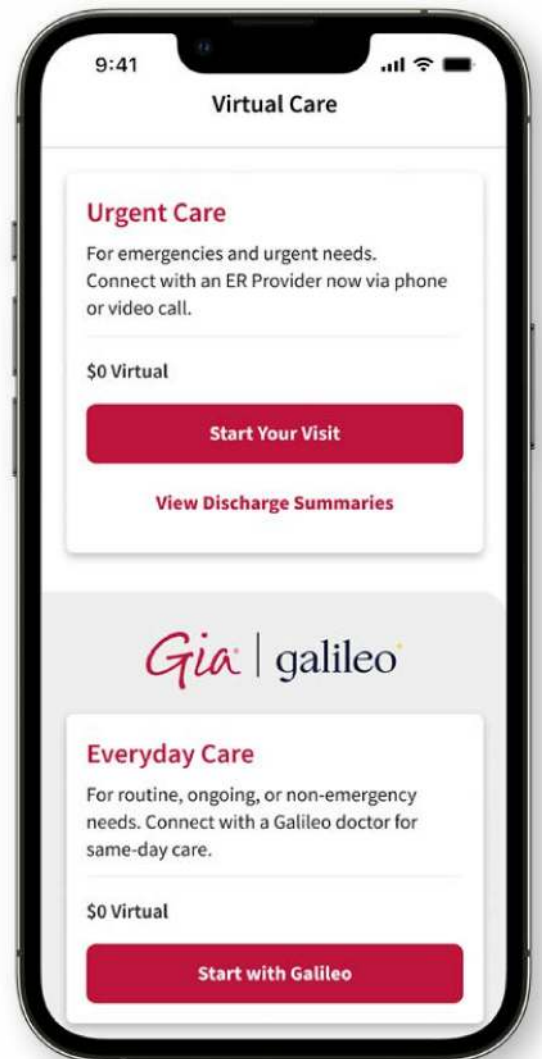

- **Text a doctor 24/7 for virtual primary and specialty care.** Get same-day support and treatment for preventive care, medical questions, and conditions like diabetes, asthma, and anxiety
- **Connect to urgent and emergency care in minutes.** It's the fastest way to find out if you need to go to an emergency room or urgent care center
- Request new medication or refills, lab tests, screenings, and more
- **\$0 for most MVP members**

Gia is a guide to your health plan, too!

- **View and share your MVP Member ID cards** with doctors and family
- **Find medical, dental, and pharmacy claims** for members of your plan
- **See progress toward deductibles and limits** for any member of your plan
- **Search for an in-person doctor or facility** that participates with your plan
- **Get an overview of your coverage**, including medical, dental, vision, and pharmacy plans

Ready to get started?

Visit mvphealthcare.com/usingGia to learn more about when to use Gia. See other side for more details.

Get the *Gia by MVP* Mobile App

Visit GoAskGia.com to download the *Gia by MVP* mobile app quickly and easily. Or scan this code using the camera on your mobile device.

The mobile app is also available from the App Store® or Google Play™.

Create your Gia account.

A new sign-in experience lets you access your plan your way. Use the same email address and password you use for your MVP online account, or try social sign-in through Google, Facebook, or Apple. Once you're set up, sign in fast with optional fingerprint or facial recognition.

All MVP members 12 years of age and older can create their own Gia account.

You'll need your MVP Member ID card to create an account.

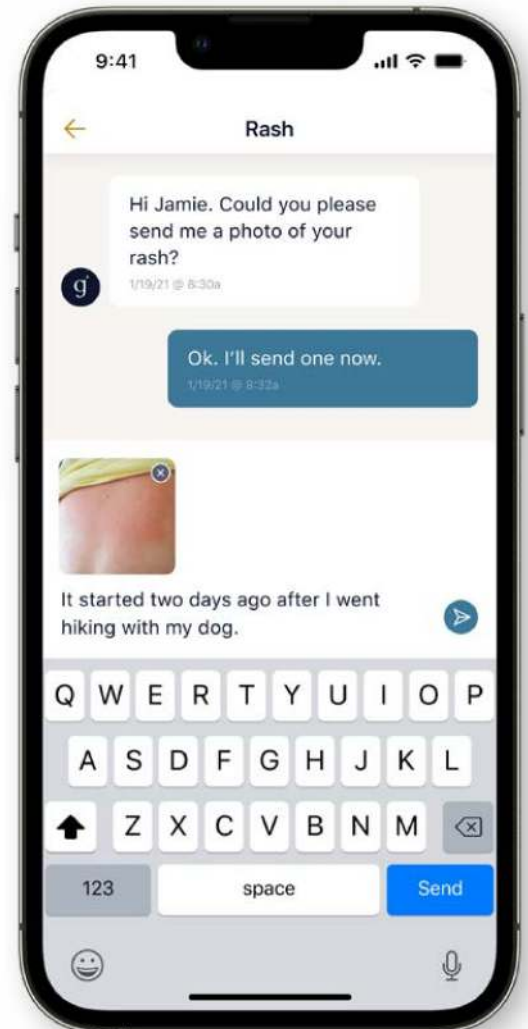

Enroll in virtual everyday care, free with Galileo.

Virtual everyday care through our partner, Galileo, makes it fast to get 24/7 same-day care by text or video call, no appointment needed.

Once you're signed in to Gia, you can enroll for free. Select *Virtual Care* and then *Start with Galileo* to create your Galileo account and download the Galileo mobile app. Once enrolled, you can get 24/7, same-day care directly through Gia.

Galileo is available for all MVP members 18 years of age or older.

If you already have a Galileo account, you can use your existing sign in information.

Gia virtual care services are available at no member cost-share for medical plans, including qualified high-deductible health plans, upon 2023 enrollment and plan renewal. Exceptions may apply for self-funded plans.

MVP Health Plan, Inc. complies with Federal civil rights laws. MVP Health Plan, Inc. does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex (including sexual orientation and gender identity).
