Subject: Paintball Incidents Awareness
Date: Tuesday, November 10, 2020 11:40:15 AM

Over the last two weeks, Schenectady Police have received reports of pedestrians in the city being struck with paintballs fired from a passing car. Some of those hit have been students walking off campus.

The police department is investigating these incidents.

Please be alert to this concern and report any activity or observations to Schenectady Police Department or Campus Safety.
