2021 Benefits Overview
A GUIDE TO YOUR EMPLOYEE BENEFITS
Welcome!

At Union College, we value our employees as our greatest asset! Union College is pleased to provide a comprehensive, competitive benefits program that meets the needs of employees and their families. Benefits are an important part of your overall compensation. We offer comprehensive healthcare, a robust retirement plan, wellness opportunities, a tuition program, and more. We encourage you to take some time to review your options and select the benefits that best meet your needs. More information on the benefits program is available on the Human Resources website at [https://www.union.edu/human-resources/benefits](https://www.union.edu/human-resources/benefits).
Welcome!

This Benefits Guide provides a summary of some of the benefits offered to Union College employees. If there are discrepancies between the information included in this guide and the applicable plan documents or insurance contracts, the plan documents and insurance contracts will govern in all cases. While it is Union College’s intent to continue all current benefit plans and policies, Union College reserves the right to amend or terminate any of the plans or to change contribution levels toward benefits at its discretion and for whatever reasons it considers appropriate. The Reservation of Rights provision pertains to all current, former, and retired employees/participants and applies to the retirement plan, the tuition remission program and all insurance plans including, but not limited to, life, disability, medical, dental, and vision insurance. No oral statement made by a representative of Union College may contradict this Reservation of Rights provision. If you have any questions, please contact Human Resources at ext. 6108.
Introduction

BENEFIT PLAN GOALS

Union College offers a comprehensive and affordable benefit program that allows the College to:

- Remain competitive with other colleges and employers
- Provide flexibility, fairness, and options to meet the needs of our diverse workforce
- Provide benefits in a logical and reasonable manner
- Manage the College’s long-term costs
- Respect employee’s long and short term costs
- Support our goal of being a premier employer

More details on the benefit plans can be found in the Summary Plan Descriptions available on BenefitFocus or from Human Resources (HR).

EMPLOYEE ELIGIBILITY

Employees scheduled to work at least 30 hours per week and 1,000 hours per year are Full-Time benefit eligible while those scheduled to work at least 20 hours per week and 660 hours per year are Part-Time benefit eligible. Benefits are effective the first of the month following your date of eligibility (or on the date of eligibility, if the first day of a month).

ELIGIBLE DEPENDENTS

Eligible dependents include your:

- Legal spouse
- Domestic partner (Affidavit of Domestic Partnership and Financial Interdependence is required)
- Dependent children (including spouse's/domestic partner’s dependent children) up to age 26:
  - Biological child
  - Legally-adopted child or child placed for adoption
  - Step child
  - Foster child
  - Child subject to a legal guardianship court order
  - Disabled children of any age.

HR will require legal documentation to confirm a dependent’s relationship and eligibility. For more information on eligibility, visit the HR website at https://www.union.edu/human-resources/benefits.
WHEN TO ENROLL

Eligible employees can enroll for benefits as a new hire, when moving to a benefits-eligible position, as a result of a Qualified Life Event, and/or during annual enrollment.

If you do not enroll within 30 days of your eligibility, you will not be able to make changes during the year unless you have a Qualified Life Event, including (but not limited to):

- Marriage, divorce, birth, adoption or death;
- An employment status change for you, your spouse/domestic partner or your eligible dependents that impacts benefit eligibility;
- A loss or gain of insurance coverage for either you, your spouse/domestic partner or your eligible dependents; or
- An employee or eligible dependent becoming an ineligible dependent (for example, a child reaching the maximum age of 26 to be covered under the medical, dental or vision plans).

If you or one of your covered dependents has a qualified life event, you must provide supporting documentation to HR within 30 days.

HOW TO ENROLL

You will enroll online through BenefitFocus at https://www.union.edu/human-resources/benefits. Click on the link under the BenefitFocus section and once logged in, click on the “Enroll in Your Benefits Now!” button.

Note: You do not need to be enrolled in a medical plan to elect dental or vision coverage, and you can choose a different coverage level for each of these plans.

PAYING FOR YOUR BENEFITS

Most benefits are paid for with pre-tax contributions taken from your pay before Federal, Social Security and State taxes are withheld. This lowers your taxable income and your subsequent tax liability, lowering your actual cost for these benefits. See cost information on BenefitFocus.

ANNUAL ENROLLMENT: YOU MUST ACTIVELY ENROLL IN YOUR BENEFITS

Current employees should actively enroll in their benefits, during the fall annual enrollment period to be sure you have coverage for the following year. During this period, employees must elect health plans and enroll eligible dependents. Changes will take effect January 1.
Basic Insurance

Prudential Insurance, one of the leading insurance carriers in the U.S., administers Union College’s Life Insurance, Accidental Death & Dismemberment (AD&D) Insurance and Long-Term Disability (LTD) Insurance programs. Prudential provides claim review and case management services, to help streamline the employee experience. Union College pays the full cost of Basic Insurance (Life, AD&D and LTD) for eligible employees.

**BASIC LIFE**

The College provides Basic Life Insurance coverage equal to 1 times annual salary to a maximum of $250,000.

**BASIC AD&D**

The College provides Basic AD&D coverage equal to 1 times annual salary to a maximum of $250,000. Basic AD&D benefits are paid if you die or are severely injured as the result of an accident.

**BASIC LTD**

If you are an employee who works at least 30 hours per week and 1,000 hours per year, you are eligible for the Basic LTD Plan. New hires must have one year of service to be eligible for this program, unless covered under another employer’s group LTD plan before they became employed at Union College. Proof of prior coverage is required in order to waive the waiting period. This coverage provides partial income replacement after 180 days, if you are approved by Prudential. The Basic LTD Plan replaces 40% of your base salary, up to a maximum of $10,000 per month, reduced by other income.
Supplemental Insurance

You can elect Supplemental Insurance when you are first hired or during annual enrollment.

Evidence of Insurability (EOI) is required to enroll for the first time after you are first eligible or to increase the coverage amount.

SUPPLEMENTAL LIFE

You may elect Supplemental Life Insurance equal to 1, 2, 3, 4, or 5 times your annual salary to a maximum of $500,000. You pay the full cost of Supplemental Life Insurance on a pre-tax basis. *The cost of Supplemental Life is based upon your age and subject to change mid-year if you have a birthday that puts you into another age group (i.e. you turn 30, 35, 40, 45, etc).* You are required to provide EOI if you are electing coverage, for the first time, greater than or equal to 3 times your annual salary or $300,000, whichever is less.

DEPENDENT LIFE INSURANCE

You may elect Dependent Life Insurance: Option 1 equals $25,000 for your spouse/domestic partner and $4,000 for your children or Option 2 equals $5,000 for your spouse/domestic partner and $2,000 for your children. You pay the full cost of Dependent Life Insurance coverage on an after-tax basis. **Note:** Dependent children are eligible for Dependent Life Insurance coverage until they reach age 19.

SUPPLEMENTAL LTD

Once you become eligible for Basic LTD, you can elect Supplemental LTD. Your benefit, if approved, will pay a total of 66 2/3% of base salary, reduced by other income, up to a maximum of $10,000 per month. You pay the full cost of Supplemental LTD coverage on an after-tax basis, so the LTD benefit paid is not taxed.

SUPPLEMENTAL AD&D

You may elect Supplemental AD&D in $10,000 increments to a maximum of $500,000. You pay the full cost of Supplemental AD&D coverage on a pre-tax basis.

UNIVERSAL LIFE AND LONG TERM CARE INSURANCE

You may elect Universal Life Insurance through Colonial Voluntary Benefits. The policy’s tax-free death benefit can help to cover final expenses and provide financial security for a family’s future expenses. Employees have the flexibility to use their death benefit for covered long-term care expenses.

The New York State Long Term Care Partnership Program (underwritten by MassMutual) offers more traditional Long Term Care insurance combining private long-term care insurance and Medicaid Extended Coverage (MEC).

AUTO, HOME, RENTERS & OTHER PERSONAL INSURANCE

Liberty Mutual and Merriam Insurance offer a full range of auto, home, renters and other insurance products. Union College employees save money on their personal property insurance and qualify for a special group discount. Enjoy convenient payment plans, including automatic payroll deduction.

EMPLOYEE-PAID PET INSURANCE

Pet Insurance, offered by Liberty Mutual, protects you in the event that your pet becomes injured or ill. You will be reimbursed for eligible veterinary expenses related to surgeries, hospitalization, X-rays, prescription drugs, and more. To enroll, please visit [pet.libertymutual.com/UnionCollege](pet.libertymutual.com/UnionCollege) or call 1-844-250-9199 and use promo code “Union College”.
Health Insurance

MEDICAL/PRESCRIPTION DRUG

Union College offers you a choice of two medical plans, PPO Plan C and PPO Plan U, through Capital District Physicians’ Health Plan (CDPHP). Both plans offer comprehensive coverage for a wide range of services including full coverage for preventive care. The prescription drug program is provided through Optum RX.

</tr>
<tr>
<td>You are comfortable with higher out-of-pocket costs at time of service</td>
<td>You want lower out-of-pocket costs at the time of service</td>
</tr>
</tbody>
</table>

NOTE: You will pay less for coverage if you complete the Wellness Incentive program requirements (see page 11). If you have medical coverage through another source, you can elect to opt-out of Union College’s medical plan and receive $500 per year in your pay ($250 for part-time employees).

As you make your decision, keep in mind which plan will cost you less for the entire year, considering both paycheck deductions and potential out-of-pocket costs. To help you decide which plan is best for you a Cost Estimator Tool is available through BenefitFocus.

UNDERSTANDING KEY TERMS

Each medical plan works a little differently, so take some time to familiarize yourself with key terminology:

- **Deductible**: The amount of covered expenses that a plan participant must pay each calendar year before the plan begins paying certain benefits.

- **Copayment (Copay)**: A flat fee that you pay at the time you receive a covered service until you reach your out-of-pocket maximum. Copays do not count toward the deductible, but they do count toward the out-of-pocket maximum.

- **Coinsurance**: The percentage of the cost you pay for a covered service once you have met your deductible and before you meet your out-of-pocket maximum.

- **Out-of-pocket maximum**: The maximum amount you will be required to pay after reaching your deductible. Once you reach the out-of-pocket maximum, the plan will begin paying for covered services at 100%. This does not include out-of-network.

- **In-network provider**: A network of doctors, hospitals, labs and other healthcare providers who belong to the CDPHP network. Using these providers typically result in the lowest costs for you.

- **Out-of-network provider**: A healthcare provider who does not belong to CDPHP’s network. Utilizing these providers may result in additional out-of-pocket charges to you.

---

**PillarRx Cost Share Assistance Program**

Union College is introducing the PillarRx Cost Share Assistance Program, which helps employees and family members who take specialty medications for complex or chronic medical conditions. This program uses drug manufacturers’ coupons to cover most or all of your out-of-pocket costs for eligible medications. You will receive information directly from PillarRx by mail and by phone if you are impacted by this program.
GETTING THE MOST FROM YOUR MEDICAL PLAN

Looking for ways to save money and take advantage of programs that can help you maintain or improve your health? Here are some programs to consider:

Know Your Medical Benefits and Use Network Providers

Before you visit a doctor, find out what medical services are covered by the plan. You should also find out what your out-of-pocket costs might be for each type of visit, test or procedure. Use the CDPHP Price Check available at https://cdphp.com/consumer-directed-health/tips-and-tools/price-check.

You can also save money by using a CDPHP preferred lab and freestanding radiology provider. Visit http://findadoc.cdphp.com or call CDPHP at 518-641-3000 or 877-724-2579 to find participating facilities and providers.

Get Your Preventive Care—At No Cost to You

Preventive care is a great way to avoid illness and to stay healthy. The medical plan covers the full cost of annual check-ups, age-appropriate screenings, and tests received from network providers.

Use Generics to Save Money

Generic medications contain the same active ingredients as their brand-name counterparts and have a lower copay. Ask your doctor if a generic might be appropriate for you.

Seek Alternatives to the Emergency Room

Emergency Rooms are expensive and time consuming. For non-emergencies, consider the following:

- Contact your primary care provider (PCP) if it is not urgent. Your doctor knows you and your health history and can access your medical records. Plus, your PCP can provide follow-up care and refer you to specialists.

- Use Telehealth (Doctors on Demand) for a video visit with a doctor using your smartphone, tablet or computer. You can save time and money by speaking with a doctor anytime you need medical or behavioral health care (including after business hours and on weekends). Your PCP office visit copay applies to telehealth visits. Visit www.DoctoronDemand.com to learn more.

- Go to an Urgent Care Center for conditions that are not life threatening but require immediate treatment. Visit http://findadoc.cdphp.com or find providers on-the-go with My CDPHP Mobile at www.cdphp.com/mobile. You can also call CDPHP at 518-641-3000 or 877-724-2579.
**DENTAL INSURANCE**

Union College offers a choice of two dental plans, Basic and Plus, through Delta Dental. Both plans provide comprehensive coverage for care received through any provider, however, you will pay less for care received from participating Delta Dental providers. The Basic plan has a lower premium and covers a lower amount of dental services. The Plus plan provides a higher calendar year maximum and orthodontia coverage for a higher premium.

VISION INSURANCE

Union College offers a vision plan through EyeMed. The plan covers vision exams, frames, lenses, contacts and laser vision correction. You pay less when you use network providers, which include both private practitioners and large national retail chains (Lenscrafters, Target Optical, JCPenney Optical, and more). You pay the full cost of coverage.

Reducing Costs for 2021

WELLNESS INCENTIVE PROGRAM
The Wellness Incentive program is designed to promote personal health awareness and accountability, with the goal of reducing preventable medical expenses. You will pay 10% less for your medical premium if you and your covered spouse/domestic partner (if applicable) complete these steps:
- Receive an annual biometric screening or physical, and
- Complete the Smoke/Tobacco Free Affirmation through BenefitFocus.
See the Appendix for the Notice Regarding Union College’s Wellness and LifePoints Program.

MEDICAL PREMIUM REBATE PROGRAM
The Medical Premium Rebate Program supplements the cost of medical insurance coverage for employees with a 2019 Total Household Adjusted Gross Income less than or equal to $79,755. To apply for a Medical Premium Rebate, you must complete the 2021 Medical Premium Rebate form online which can be found on BenefitFocus. You also are required to attach your most recent tax return (the page that shows Total Adjusted Gross Income) for verification when you submit the online form.
For more information, look on BenefitFocus or contact HR.

FLEXIBLE SPENDING ACCOUNTS (FSA)
You can elect to contribute to an FSA to pay for eligible out-of-pocket healthcare and dependent care expenses. You set aside pretax dollars, reducing your taxable income and saving you money. You may enroll in the Healthcare and/or Dependent Care Spending Accounts. Elections to the Healthcare Spending Account cannot exceed $2,750 and elections to the Dependent Care Spending Account cannot exceed $5,000.

While FSAs offer many advantages, there are a few key points to keep in mind to make sure your account(s) work for you:
- You must enroll in the Flexible Spending Accounts each year you want to participate; IRS rules do not allow you to contribute to the plan unless you make an election each year.
- Once you sign up for one or both accounts, you cannot change or stop your contributions unless you experience a Qualified Life Event, such as marriage, divorce, the birth or adoption of a child, or a change in employment status of you or your spouse.
- When you use an account, you cannot claim the same expenses on your federal income tax return. In some cases, you may be able to receive a tax credit for certain dependent care expenses that are more advantageous than the tax-free account reimbursement.
- The FSA cannot be used for domestic partner related expenses.
- You have until March 30, 2022 to submit claims for reimbursement of: 1) Healthcare expenses incurred between January 1, 2021 and March 15, 2022, or 2) Dependent care expenses incurred between January 1, 2021 and March 15, 2022. According to IRS rules, any money left in your account is forfeited.
LIFEPOINTS

CDPHP members can earn up to $365 in gift cards, per family per year, for participating in this interactive online program. Members ages 18 and older can earn points for a variety of healthy activities, such as:

- Receiving an annual physical exam (a free service with all CDPHP plans)
- Getting a flu shot
- Participating in free CDPHP wellness classes to get fit, eat healthy, and manage stress
- Working out with CDPHP InMotion

Go to www.cdphp.com to learn more and register today.

See the Appendix for the Notice Regarding Union College’s Wellness and LifePoints Program.

DISCOUNTED WELLNESS PROGRAMS

Union College recognizes the importance of having employees pursue healthy and active lifestyles. The College offers a variety of programs to promote health and help employees save money on healthcare expenses, including:

- Walking Programs
- Sunnyview Wellness Center discounts
- Weight Watchers at Work
- Access to College athletic facilities
- And more
Retirement Plan

Preparing for your future financial security requires careful planning. The Union College Retirement Plan consists of contracts and certificates issued through Teachers Insurance and Annuity Association (TIAA) and/or Fidelity Investments.

YOUR CONTRIBUTION

You can contribute to the plan starting on your first day of employment. You can save up to the IRS limits each year ($19,500 for 2021, plus an additional $6,500 if you are age 50 or older). You can increase or change your own contribution at any time.

UNION COLLEGE’S CONTRIBUTION

To help your savings grow, the College contributes 11% of annual wages (excluding overtime, overloads, supplements, etc.) each year for eligible employees.

You are eligible for the 11% contribution if you:

- Are at least age 21, have one year of service and work at least 1,000 hours per year; OR
- Have previously enrolled in a college/university’s 401(a), 401(k) or 403(b) plan (proof of prior account required) that included employer contributions. The account must be active (not cashed out or transferred) at the time you join the Union College Retirement Plan.

Note: The College has implemented a temporary pause on the 11% employer retirement contribution for all employees who are expected to earn more than $30,000 in FY21.

VESTING

You become vested (meaning you have ownership rights) for College contributions and earnings after three years. You are always 100% vested in your contributions and earnings.

ENROLLMENT FOR UNION COLLEGE’S CONTRIBUTIONS

Enrollment periods are held for eligible employees each March, June, September and December with Union College’s 11% contribution beginning the first of January, April, July, or October.

To learn more, visit the Retirement Planning section of the HR website at: https://www.union.edu/human-resources/benefits.
Tuition Benefit Program

The Tuition Benefit Program offers benefits to eligible full-time employees, and eligible dependents, for full-time and part-time studies.

- The goal of the full-time tuition benefit is to minimize, to the extent possible, financial barriers to higher education for the dependent children of Union College’s employees.
- The goal of the part-time tuition benefit is to support the educational goals and encourage professional development of eligible participants.

FULL-TIME ENROLLMENT

The full-time tuition benefit applies to a dependent’s enrollment as a full-time matriculated student at Union College or at an accredited college, university or program (listed in the US Department of Education database of accredited institutions) for a bachelor’s degree, or as a full-time matriculated student in a two-year junior or community college. The benefit applies for four years of full-time undergraduate study (8 semesters, or 12 trimesters, or 12 quarters, etc.).

PART-TIME ENROLLMENT

Full-time employees of Union College, their legally married spouses/domestic partners, and their dependent children may take courses at Union College or the Clarkson University Capital Region Campus (CRC) as part-time students. A full-time employee may enroll in up to two Union College or CRC courses per term free of tuition charges, as long as the courses are not in conflict with the employee’s work schedule. The employee may enroll in a maximum of four tuition-free courses per academic year (July to June) under this benefit.

Legally married spouses, domestic partners, and dependent children of full-time employees and their spouse/domestic partner may enroll as part-time students in up to three Union College or CRC courses per academic year (July to June) free of tuition charges. Dependent children receiving Union College’s tuition benefit for full-time study, whether at Union College or elsewhere, may use the part-time benefit at Union College or the CRC, during the summer term only, without any reduction in the benefit for full-time study.

Details on how the program works can be found at https://www.union.edu/human-resources/benefits/insurance-and-tuition-program-eligibility-requirements/union-college-tuition-benefit-program-march-15-2013.

Eligibility requirements for this program can be found at: https://www.union.edu/human-resources/benefits/insurance-and-tuition-program-eligibility-requirements.
Employee Assistance (EAP) and Success Coach Programs

*(Helpful Resources for Union College Employees & Families)*

**E4 HEALTH EMPLOYEE ASSISTANCE PROGRAM (EAP)**

E4 Health provides professional counseling services to ensure that you get help, guidance and support during difficult times. Help is as close as the nearest phone. Some of the resources and services available include:

- Family and Caregiving assistance and services
- Daily Living (legal, financial and convenience) consultations and referrals
- Emotional Well-Being counseling services and referrals

This is a confidential, free service. To read more about the services offered and how to access E4 Health, please visit the Employee Assistance Program page on the HR website: [https://www.union.edu/human-resources/benefits/health-and-wellness/employee-assistance-care](https://www.union.edu/human-resources/benefits/health-and-wellness/employee-assistance-care). *Don’t let challenges overwhelm you.* Just call 800-828-6025.

**SUCCESS COACH PROGRAM – GREATER SCHENECTADY EMPLOYER RESOURCE NETWORK (GSERN)**

A Success Coach is a person who can provide you with confidential access to services and interactive coaching to support you and your employment. By utilizing the best resources of local government, non-profits, and private employers, the Success Coach can help you overcome personal barriers that may be threatening or interfering with your employment or causing difficulty for you on the home front. Union College’s Success Coach is on campus regularly. *Please check with HR for more information.*
Additional Benefits

Union College provides many other benefits, including:

- Paid and unpaid time off
- Employee Scholarship Program
- Business Travel Insurance
- Housing assistance
- Credit Unions
- Pay advances for computer device purchases
- Pet Insurance
- Free or discounted tickets to Union College athletic events
- Discounts to Proctor’s, BJ’s Wholesale Club, Six Flags, Great Escape and more

Visit the Benefits section of the HR website at https://www.union.edu/human-resources/benefits to learn more about these and other programs.

LEGAL NOTICES

Union College provides required notices to employees upon hire and every year. You can find these notices on the Policies, Manuals and Handbooks section of the website: https://www.union.edu/human-resources/policies-manuals-and-handbooks.

NOTICE REGARDING UNION COLLEGE’S WELLNESS AND LIFEPONTS PROGRAMS

Union College’s “Wellness Program” is a voluntary wellness program available to all employees and covered spouses/domestic partners. The program is administered according to federal rules, permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness incentive part of the program, you will be asked to complete either a biometric screening or annual physical, which will include a blood test to determine the following measures: blood glucose (screening for prediabetes, diabetes), total cholesterol, LDL, HDL, Triglycerides, and to certify your smoke/tobacco free status (or demonstrate participation in a smoking cessation program). If you choose to participate in the “Life Points” part of the program you will need to complete a health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and also asks whether you have or have had certain medical conditions (e.g., cancer, diabetes, or heart disease). Additional incentives of up to $365 per family may be available through the “Life Points” program for employees and their family members who participate in certain health-related activities (please refer to the [www.CDPHP.com](http://www.CDPHP.com) website for specific Life Points qualifying activities). If you are unable to participate in any of the health-related activities to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard from Human Resources, 17 South Lane, x. 6108.

You are not required to participate in the Wellness Incentive program or the Life Points program. As such, you are not required to complete the HRA or to participate in the blood test or other medical examinations or to certify your smoke/tobacco-free status. However, only employees who choose to participate and complete the requirements of the wellness incentive part of the program will receive a 10% wellness incentive toward the cost of their medical insurance for the remainder of the plan year and only employees who complete the HRA and participate in the Life Points program will be entitled to up to $365 in annual Life Point awards.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks. Upon completion of the HRA and/or biometric screening, CDPHP resources will be recommended to aid members in maintaining and improving their health based upon their individual responses. The information may also be beneficial to you for participating in programs or utilizing services through the wellness program, such as BMI measures from biometric screenings may be used to reach members via outreach campaigns to raise member awareness of weight management resources available as a value added benefit through CDPHP, or for your voluntary participation in the various wellness classes, webinars or special programs. You are also encouraged to share your results or concerns with your own doctor.
PROTECTIONS FROM DISCLOSURE OF MEDICAL INFORMATION

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program (administered through the Capital District Physician’s Health Plan (CDPHP)) and Union College may use aggregate information it collects to design a program based on identified health risks in the workplace, CDPHP will never disclose any of your personal information either publicly or to Union College, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information, such as Individual results from the biometric screenings (BMI, Blood Pressure, LDL Cholesterol), is your indicated Primary Care Physician.

All medical information obtained through the wellness program will be maintained separate from your personnel records. Information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event of a data breach involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to discrimination or retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources, 17 South Lane, x. 6108.

SPECIAL NOTICE OF EMPLOYEE RIGHTS

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), if you are declining enrollment for yourself or your dependents (including your spouse) because of other group health insurance coverage, you may in the future be able to enroll yourself and your dependents in the Union College medical plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing to the cost of that coverage), provided you request enrollment within 30 days after your other coverage ends.

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your eligible dependents, provided you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request a special enrollment or obtain more information, please contact Human Resources, 17 South Lane, x. 6108.
