

Leadership in Medicine Tuition Payment Schedule

LIM students make twelve scheduled comprehensive payments to Union College. The schedule will vary slightly depending on whether the student participates in the summer National Health Systems (NHS) program.

Schedule for students who participate in NHS (freshman or sophomore summer):

Students will make one of the twelve comprehensive payments the summer of NHS. The last of twelve payments to Union College is made Winter term of senior year. No tuition is due to Union College in Spring term of senior year. During that term, students only pay for room and board.

LIM students who pursue the MBA take four additional Clarkson classes beyond the required 12 MS courses. While no additional tuition is due for the MS degree, tuition is due to Clarkson in the Spring term of senior year for the four additional MBA courses.

All LIM students take classes the summer between junior and senior year. The dorm room fee is approximately \$125 a week over the summer. There is no summer meal plan so students “pay as they go” for food.

Schedule of payments for students who participate in NHS

	Summer	Fall	Winter	Spring
Freshman		Comprehensive Fee #1	Comprehensive Fee #2	Comprehensive Fee #3
Sophomore	NHS Comprehensive Fee #4	Comprehensive Fee #5	Comprehensive Fee #6	Comprehensive Fee #7
