Paul D. Friedman
Curriculum Vitae

Academic Employment.

Union College (NY)

- Senior Lecturer   2008-present
- Lecturer   2006-2008
- Visiting Assistant Professor   2001-2006

Union Graduate College (NY) - Adjunct   2006 - 2014

University of Aarhus (Denmark) - Visiting Associate Professor, part-time   1997-2001

Degrees.

Ph.D.	(Mathematics)	SUNY Stony Brook	1997
A.B.	(Mathematics)	Dartmouth College	1989

Publications. (Representation Theory of Lie Groups)

- *Langlands Parameters of Derived Functor Modules and Vogan Diagrams*, Mathematica Scandinavica, 92 (2003), pp 31-67
- *The Langlands Parameters of Subquotients of Certain Derived Functor Modules*, Journal of Functional Analysis, 157 (1) (1998), pp 210-241

Teaching Experience, post Ph.D.

Union College

- Abstract Algebra, Calculus (all levels of single variable, multivariable), Complex Analysis, Differential Equations, Geometry, Linear Algebra, Logic and Set Theory, Number Theory (for majors and as a GenEd course), Probability, Real Variable Theory
- Academic Opportunity Program (AOP), Summer Calculus Instructor   2013-present
- Supervisor of many expository undergraduate senior theses (several honors)

Union Graduate College. Number Theory for MAT students   2006-2014

University of Aarhus

- Graduate courses in representation theory; Lie groups
- Supervisor of three expository Masters theses

Some Other Items.

- Hudson River Undergraduate Mathematics Conference
  - steering committee   2002-3, 08-09, 12-present
  - steering committee - chair   2008-9, 14-15
- Reader for AP Calculus Exam   2007-present (but not 2018)
- Union College Math Club; Pi Mu Epsilon honors society chapter founder, advisor   2011-present
- Associate Consultant, The Boston Consulting Group, New York   1989-91
