

The Calculus Help Center Is Here to Help

After a quick turnaround, the Calculus Help Center (CHC) is back and running for the spring trimester. The CHC offers *free drop-in* tutoring to students in calculus courses through Math 117.

The CHC will be open **Sunday, Tuesday, and Thursday nights, 7:30-10:00pm** (NY time) and will continue to operate virtually over Zoom. The Zoom link can be found on the CHC's webpage on math department's website, <https://www.union.edu/mathematics> under the For Students tab. A direct link to the CHC page, with the Zoom link, is

<https://www.union.edu/mathematics/calculus-help-center>

HRUMC: Three Union Speakers this Saturday, April 10.

The 27th Hudson River Undergraduate Mathematics Conference (HRUMC) will be **Saturday, April 10th**, via Zoom, hosted and organized by **Keene State University**. The conference will be featuring over 50 math talks, including three by Union folk, **Professor Louisa Catalano, Dante Scott '21, and Jason Stack '21**. The HRUMC website, which contains the complete conference schedule, is available through a link on the math department's website, <https://www.union.edu/mathematics> under the Activities tab. A direct link is [here](#). Though the registration deadline has formally passed, if you are interested in registering for and attending this (free!) conference, contact Professor Paul Friedman (friedmap@union.edu) by noon on Tuesday, April 6 to see if it still might be possible to do so. (We are hoping this might be possible.)

Math Club: Trivia Night!

The Math Club will be kicking off its activities this term with a Trivia Night. Come test your math skills and perhaps win some prizes! The event will be **Thursday, April 8 at 5:30 pm**, run through Kahoot, over Zoom: <https://union.zoom.us/j/7365779779>

If you are unable to attend this event but want to get involved with Math Club, then email club President **Lily Dong** (dongl@union.edu) to get on the club's mailing list and stay in the loop.

Careers in Mathematics – A Panel Discussion hosted by the MAA

The Seaway section of the Mathematical Association of America (MAA), the regional section to which Union belongs, will be hosting an online **Careers in Mathematics** panel on **Tuesday, April 6** at noon. Come learn what you can do with a math, or math-adjacent, degree from the panelists who have years of experience working with math in the business world. The panelists are:

- Michael Fink – Palantir Technologies
- Candace Schenk – Google
- Doug Muehling – Met Life
- Corey Balcerzak – Burd Home Health

The panelists will discuss their experiences, offer advice, and answer your questions.

Registration for this event is required, but **free!** [HERE](#) is the link. (If that doesn't work, contact Professor Paul Friedman (friedmap@union.edu) for the URL). Upon registration you will receive the Zoom link to the event.
