## Thank You Seminar Organizers!

The weekly undergraduate math seminar has longstanding occurrence in the math department. However, it takes a lot of time and effort to organize. So please give a rousing THANK YOU to **Professors Rylan Gajek-Leonard**, **Jeff Hatley**, **Roger Hoerl**, and **Leila Khatami** for putting together such a wonderful series of talks. And, of course, an additional thank you to all of the speakers. Without individuals working together and selflessly, a community cannot be built. The efforts of the many are greatly appreciated.

## Calculus Help Center Winter Closing Date: Thursday, June 1
