Visiting students from other colleges and universities should obtain permission from an appropriate official at their school if they wish to transfer credit from Union College. A copy of your college transcript is required.

**Qualified high school students** may enroll in any of the 100-level undergraduate courses. A high school recommendation and transcript are required.

**Union College Students:** In accordance with the summer school policy of the College, summer courses may be used toward requirements for your Union College education. They can be used to satisfy your major, your minor and the General Education Program and will appear on your transcript. Summer school course credits will count toward the credits needed for graduation, whether or not they are being taken to make up for credit deficiencies due to withdrawal or failure, and can be used to accelerate graduation. There will be a tuition charge for all course credits, including independent studies and internships

Current students can order transcripts online through our secure portal, [Webadvising](#) via the NSC Student Self-Service link using your student login and password.

Non-matriculated students can order transcripts via the web 24/7 through the National Student Clearinghouse at [www.studentclearinghouse.org](http://www.studentclearinghouse.org) and check on the link for Order-Track-Verify.

Transcripts **will not be released** if there are any outstanding holds on your account, financial or otherwise, including non-payment of any previous transcript requests.
