

WHAT NOT TO BRING TO LIVE AT UNION COLLEGE

1

WALL COVERINGS

No more than 10% of walls may be covered per New York fire code. Flags and tapestries, as well as anything hanging from the ceiling, are against fire policy.

2

CANDLES & STRING LIGHTS

Stringlights (LED or otherwise) are against fire code. Candles, incense, and other open flames are against policy. Wax melters are permitted.

3

CORDS

Cords must be grounded/surge protected strips. Octopus cords, extension cords, and outlet extenders are against policy.

4

APPLIANCES

Separate microwave units (not part of a microfridge) and appliances with open coils (hot plate, crockpot, coffee makers) are against policy.
