Welcome Back!

Forum Retreat: Saturday, 1/11 from 10-1 in CPH room M 102A

Final Headcount

- Thank you for all who responded to the google invite!

Food

- Breakfast will be ordered! The order will go through catering and Student Forum is not paying for the food because you can't use student funds to have food at meetings. Student Activities has generously offered to pay for the breakfast.

Strengths

- Dean Schurick will be there to run us through the strengths exercise as a large team and in some smaller teams as well.
- The final hour will be a breakout session on initiatives and goals.
- Please make sure that you complete the Strengths questionnaire by Thursday at Noon. Dean Schurick will be printing those out and bringing them with her so it is important to have that done. Takes only about 30 minutes.
- If you have already done strengths at Union, you do not need to complete the questionnaire again- Dean Schurick will bring the forms with her.
- You can bring your laptops with you if you want.
- (SG) What kind of food will be there?
 - (MS) Eggs, meat, bagels, fruits, etc. There will be food for everyone even if you have a food allergy.

Dining Changes!

Download GET App

- The Market will open on Monday and the delivery will begin in the next couple of weeks. They are waiting on something related to the app and then it will be ready to go.
- The app tells you how much declining and how many meal swipes you have left.

Update on Conference Room

- In the formal forum meeting at the end of the term, money was allocated to renovate the yearbook room to make it a meeting room for general use. Chairs and a television have arrived and we are waiting on tables and a whiteboard. Should be finished by the end of the month.
